About the project :

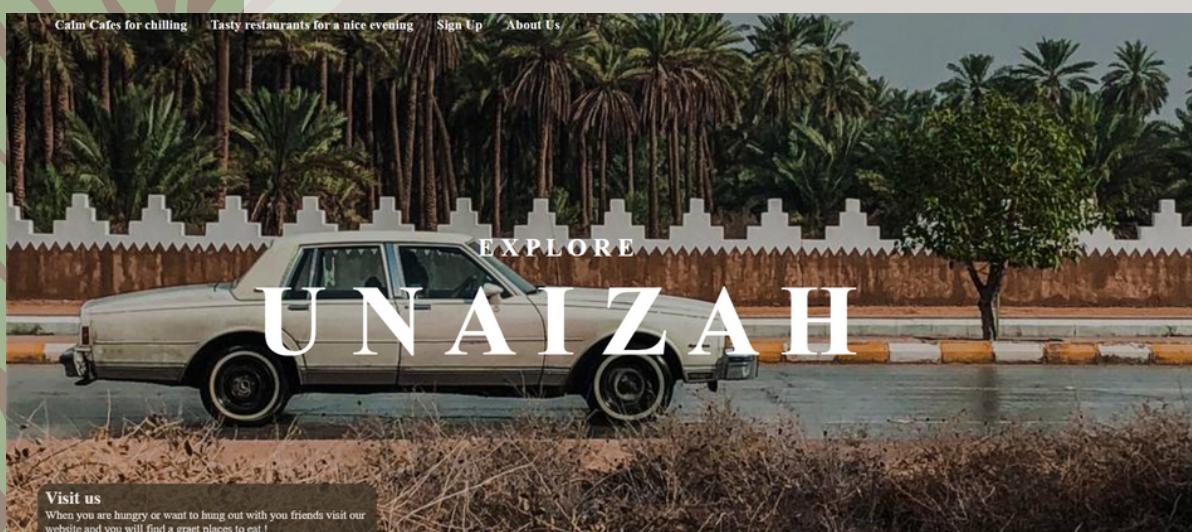

Explore Unizah website was created to support tourism in Unizah by highlighting the best cafes and restaurants.

We present our idea on the " About Us" page and by clicking on "Contact Us" button that will navigate you to our email.

Home Page :

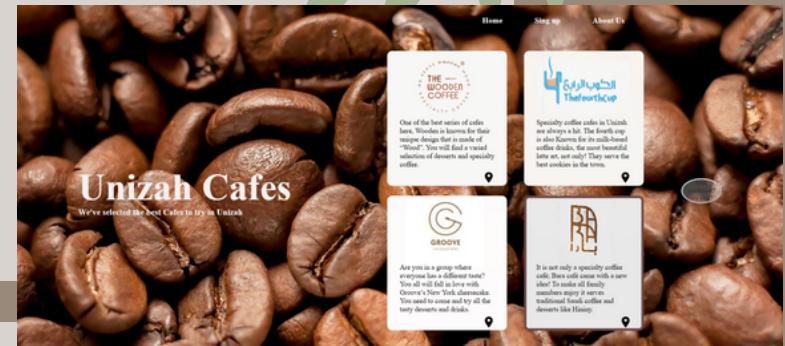

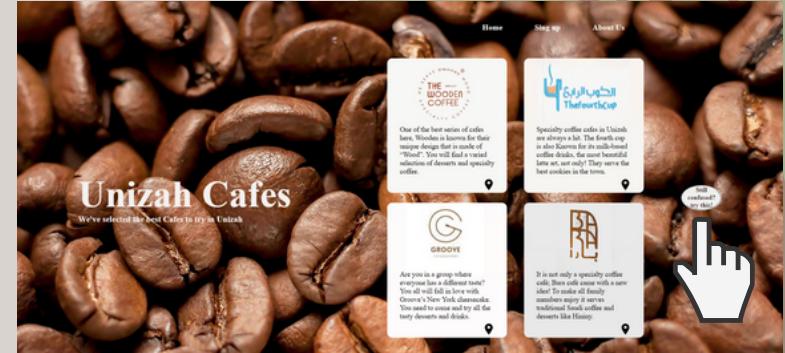

The "Home" page will give you a general view of our websites and by clicking on the headings above, you will be able to benefit from our services.

Cafes Page :

Here we list the best four cafes with a brief description. By clicking on the pin, you will find the location.

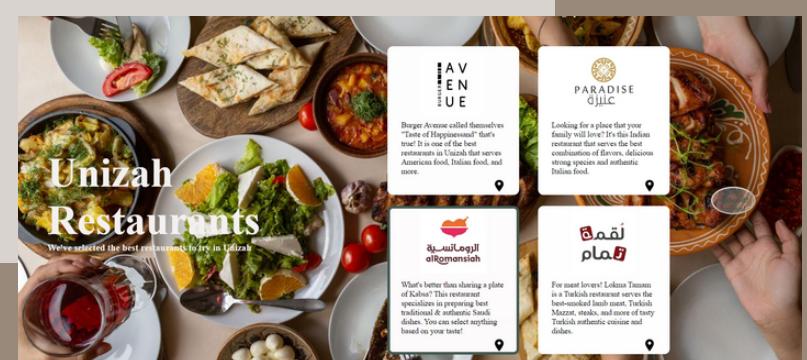

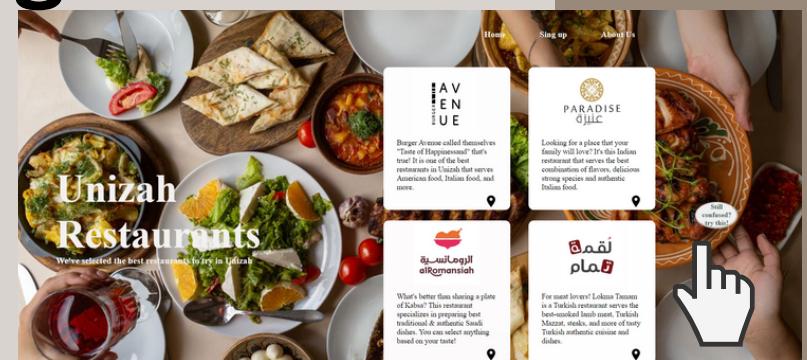

"Still confused? try this!" button will choose a random café to try.

Restaurants Page :

Here we list the best four restaurants with a brief description. By clicking on the pin, you will find the location.

"Still confused? try this!" button will choose a random restaurants to try.

Sign up page :

When the visitor signs up, he/she will get the latest updates.

By answering these questions, we will collect information to improve our services.
